"Leprosy may be the first of the great infectious diseases to be brought under control largely by chemotherapy".—
The Lancet, January 28, 1950.

Despite these great advances only one patient in every ten can obtain the new treatment which cures. There are 3,000,000 sufferers in the British Commonwealth of Nations. They await your verdict : Health or a life-sentence to the Living Death.

One Fund for ALL SAILORS

King George’s Fund for Sailors is the central fund for all sea services—the Royal Navy, the Royal Marines, the Merchant Navy and Fishing Fleets. It supports the work of more than 120 of the societies that care for the welfare of seafaring folk, and makes grants according to their needs. Many of these societies have no other source of income. The Fund is a voluntary organisation, and relies upon public generosity for its income. You may rest assured that all collections, gifts and legacies in its favour will benefit sailors—serving or retired—and their families everywhere.

CHARITABLE BEQUESTS ARE INVITED

£20,000 needed annually by

The Central Council for District Nursing in London

to maintain the Voluntary District Nursing Service in London

The Local Health Authority has arranged that district nursing in London shall retain the advantages of the experience and interest of voluntary district nursing associations in the nine county divisions.

The Central Council, responsible for organizing the service, which is operated through co-ordinating divisional committees, makes grants to the associations whose approved necessary expenditure is covered by a grant from local rates and a percentage from voluntary sources. Voluntary funds also pay for amenities for Nurses' Homes and Patients not covered by statutory provisions.

Thus Voluntary Contributions, through Donations or Bequests, are Urgently Needed, for Expenditure is Growing Daily.

Please HELP these Children !

Since its foundation in 1827, several thousand orphans of Merchant Seamen have been cared for, educated, and set up in life ; and there are now over 300 boys and girls at the school, more than half of whom lost their fathers during the late war.

The assured income does not meet the expenditure. New subscribers are urgently needed to bridge the gap. Please show your appreciation of our Merchant Seamen by sending donations or subscriptions to the **SECRETARY, THE ROYAL MERCHANT NAVY SCHOOL 28, St. Mary Axe, London, E.C.3.**

Second Edition.

ADVICE ON ADVOCACY IN THE LOWER COURTS

By F. J. O. CODDINGTON, M.A. (Oxon.), LL.D. (Sheff.), of the Inner Temple, Barrister-at-Law
with a foreword-essay by Rt. Hon. Sir NORMAN BIRKETT, P.C., LL.D.

When the first edition of Dr. Coddington's book appeared in 1951, the legal press were almost lyrical in their praise, and the book was soon out of print. For the second edition, the length has been increased by almost half as much again, and the scope widened to include the County Courts. There are a number of new illustrative stories. As in the former edition, the book contains that sparkling essay on advocacy in general by Lord Justice Birkett, and for the new edition, Dr. Coddington has included a hitherto unpublished cartoon by the late C. Paley Scott.

Dr. Coddington was Stipendiary Magistrate at Bradford from 1934 until his retirement in 1950. This, coupled with his twenty years at the Bar, has enabled him to write with both authority and insight a book which should be read by all who practise in the Lower Courts, by those who like to be taken behind the scenes of the drama of persuasion, and by those who enjoy legal yarns.

Some press opinions :

"It contains much good and sensible advice and is written in a light, easy style, interspersed with many good stories of advocates and county court judges." *Solicitors' Journal*

"To the young advocate the book will prove invaluable, for it points out the highroad to successful pleading, and exposes the pitfalls which beset the way The book is worth every penny of its modest price." *Law Journal*

"There is a foreword of six glorious pages by Sir Norman Birkett. The publication would be worth buying for that alone. Advocacy is an art: an artist can always learn something from another, and so every advocate can profit by reading Dr. Coddington's essay, even though here and there he disagrees." *Law Society Gazette*

"This is a work which can be recommended with confidence to all those who aim to practise before the courts." *Graya*

LAW WITHOUT GRAVITY

By J. P. C.

Illustrated by Leslie Starke.

This is a selection of the verse by J. P. C. which has enlivened the pages of the *Justice of the Peace and Local Government Review* over the past four years.

"Law Without Gravity" emphatically does not set out to instruct. It sets out to captivate those who are young in heart, who wish to be entertained, diverted and amused. We think it will succeed in that object — but then, perhaps we are prejudiced: we have read it.

The West London Mission

NOT ONE GOOD CAUSE
BUT MANY.....

The homeless, the destitute, the hungry—
Which shall we help?

THE WEST LONDON MISSION HAS ONLY ONE ANSWER :
We must help them all

This Methodist Mission in Kingsway has now been ministering to the poor, the wronged and the defeated for over sixty years. The Katherine Price Hughes Hostel, Gertrude Owen House, the Kingsway Creche, the Youth Club, Kingsway House for unmarried mothers and their babies, the Hungerford which shelters "Down and Outs," Alfred Hartley House for elderly folk—these are some of its many enterprises.

To make a bequest to the West London Mission is to open up new hope, new happiness, a new and better way of life to many

Rev. Dr. DONALD O. SOPER, M.A., is Superintendent of the Mission and all gifts should be sent to him at the Headquarters

Kingsway Hall, Kingsway, London, W.C.2

handicapped in body . . . undaunted in spirit

John Groom's Crippleage was founded in 1866 and exists to give practical help to disabled women.

We provide a Christian home for them, and a workroom where they are employed.

Training is given in artificial flower making and wages are paid at trade rates.

The disabled women in our care contribute substantially to their keep from their wages, but we rely on the help of those who admire a spirit of independence, to meet the balance of the cost of running our Edgware Home.

We also help needy children in our homes at Cudham and Westerham, Kent.

All this is done in a practical Christian way without State subsidies or control.

Legacies are an essential part of our income.

May we ask your help in bringing this old-established charity to the notice of your clients making wills.

MANORMEAD · HINDHEAD · SURREY
(Nursing Home for aged and infirm patients)

The Church of England Pensions Board appeals for subscriptions, church collections and legacies for maintaining homes, flats and cottages for aged retired clergymen and their dependants and for the provision of pensions for widows and elderly dependants whose incomes are insufficient to meet their needs.

In addition to heavy capital expenditure, £20,000 annually is needed to subsidize the residents in the present homes, and last year £14,000 was paid in grants to widows of clergymen.

Annual subscriptions, church collections and legacies are urgently needed and will be gratefully acknowledged by

Help My Dog?**

"Yes, of course we can help him—and all the other dogs who may be in special need of care. This is one of the Canine Defence Free Clinics up and down the country where the pet of the poorest receives treatment equal to the finest in the land."

Every National Canine Defence League Clinic has a full hospital service behind it . . . It is to maintain and develop this service—as well as all our other humane activities, protecting dogs from cruelty and ill usage of every kind—that we ask for the practical help of all kind-hearted people.
